We are a Family Winery,

founded in 1989 by Félix Callejo. We are currently the second generation, Cristina, José Félix, Beatriz and Noelia Callejo who continue this exciting legacy.

The experiences in other wineries of both José Félix (Petrus - France, 1999; Torres - Chile, 2000) and Noelia (Araujo - Napa, 2007 and 2010; Cobos - Mendoza, 2008) have provided the basis for further developing a philosophy *based on the soil and to be **Vignerons***.

In the year 2000, we began to work in an *ecological* way in our vineyards, a clean, respectful viticulture, full of life for the soils and therefore for our wines.

This step, *made us and makes us return to the past to be able to look to the future*. Observe our surroundings, the landscape that surrounds us, the culture that we have acquired thanks to our ancestors always linked to the world of wine and the authenticity of our land.

FINCA VALDELROBLE

FINCA VALDELROBLE

“This *paraje* (place) is located at the edge of the Sotillo páramo, at 930 m. of altitude, it is our highest vineyard. In the 80's our father destined this place to a landing strip of small planes, given the height and plain of the land. A controversial idea for the time.

The soils of the páramos de Sotillo are limestone soils. The parent rock, at the edges of the páramos, is very close to the surface, with the presence of loose stone that favors drainage and aeration. It is an isolated vineyard, the only one around, like our father with his landing strip, we became adventurers in 2004, the result is a unique blend of Tinto Fino, and Merlot.”

Our landscape is located in the village of **Sotillo de la Ribera**, province of Burgos, on the northern edge of the Duero river basin, in a privileged environment, due to its high **altitude (830 - 930 m)**, where the moors (*páramo*) of the highest areas, with limestone soils, give way as we follow the erosion of the valley, to gravel soils (old river beds), sandy areas in the pine area, and clays in the lower areas .

Vintage 2018

INFORMATION

After the year horribilis 2017 in Ribera del Duero, this year is characterized by an abundant and generous harvest, thanks to the significant rainfall that occurred in spring, recovering the vineyards all their potential.

The winter was cold and with precipitations well distributed in the form of snow. The spring was unusually rainy, with moderate temperatures, causing a certain delay in the vineyard cycle. Later in summer, temperatures recovered with little precipitation. The development of the vineyard was optimal thanks to the water reserves accumulated in the soil. The harvest was made at the beginning of October. The weight of the berries was high and large bunches. Abundant and high quality harvest.

TASTING NOTES

Lively, deep, dense red colour that tints the glass and the tears running down its sides. Deep, delicate aromas of wild forest flowers and the fresh breezes of the high plains mingle harmoniously with ripe tropical fruit characters. Mineral touches reminiscent of underground limestone rock come through against a backdrop of spicy and smoky notes. Hints of just-picked grapes appear on the palate along with fresh tannins that are yet to become fine and polished. Mouth-filling on the palate with a fine-grained texture; the full ripeness of the grapes shows through, followed by a long, lingering finish.
